

Barron's Profiles of American Colleges w/Free Online Access

29th Edition

The Editors of Barron's Educational Series, Inc.

The latest information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more make the 29th edition of *Profiles of American Colleges* America's most comprehensive and authoritative source for college-bound high school students. Every accredited four-year college in the United States is profiled, and readers are directed to a brand-new Barron's Web site with a FREE ACCESS college search engine that presents exclusive on-line information on college prep resources describing their academic plans and aptitudes. Each of more than 1,650 college profiles gives details on:

- Admission requirements
- Library and computer facilities
- Admissions procedures for freshmen
- Campus safety and security
- Thumbnail descriptions of faculty
- Requirements for a degree
- Athletic facilities
- Extracurricular activities
- E-mail addresses
- College fax numbers and web sites
- Admissions contacts
- and more

Schools are rated according to Barron's reliable competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive." The book's tinted pages section presents an *Index of College Majors* that lists all available major study programs at every school. Also profiled are excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries.

Barron's GED

Book only and book with CD-ROM

15th Edition

Murray Rockowitz, Ph.D., Samuel C. Brownstein, Max Peters, Ira K. Wolf, Ph.D., Johanna M. Bolton, Robert Feinstein, Sally Ramsey, Louis Gottlib, and Kelly A. Battles

Updated to reflect the latest GED High School Equivalency Exam, this comprehensive manual presents a diagnostic test and two full-length practice exams with all questions answered and explained. Test-takers will also profit from the book's extensive subject reviews that cover all test topics: Language Arts—Writing Parts I and II, Social Studies, Science, Language Arts—Reading, and Mathematics. An overview explains the test's several parts and their time allotments and offers study advice and test-taking tips. Headings are printed in a second color for easy reference. The book can be purchased alone or with an optional CD-ROM, which presents practice tests that simulate the actual test-taking situation.
